

New After-school Homework Help Program

January 23, 2012

Dear Parents,

In cooperation with our “across the street” neighbors at Grace Lutheran Church, we will begin providing after-school homework help to our students.

When: Every Wednesday from 12:45 to 1:45, beginning February 8th, and for the rest of the school year

Where: Room 114, next to the school office

Who: Any student who is seriously interested in learning and getting better grades

Cost: There is no cost, the tutors are all volunteers

Urgent response needed: The first 20 students who complete and return the form below will be accepted, the rest will be put on a waiting list in the order that completed forms are received.

Commitment: If any student has an unexcused absence from any session, we will assume he or she no longer needs or wants our help, and a replacement will be taken from the top of the waiting list. (Parents will be contacted to verify excused absences.)

Transportation home: No transportation will be provided.

Fun: We hope to make this an enjoyable hour every week, for everyone involved: learning can be fun, and so can getting better grades now— and starting to become successful throughout life!

Please join us: It starts by signing up!

Sincerely,

Patti Buchmiller
Principal
